**Red Hat Certified Architect in Infrastructure**

Certification Number: 160-223-368

**Microsoft Certified Solution Expert**

SQL Server Business Intelligence

Certification Number: F813-7442

**MikroTik Certified Network Associate**

Certification Number: 1703NA7147

**MANAGER, INFORMATION TECHNOLOGY**

I am a full stack application developer and have about 15 years of working experience with various NBFIs. I have completed over a dozen successful large scale applications to facilitate organizational need. Beside development experience I have earned several prestigious credentials like Red Hat Certified Architect, MCSE in SQL Server Business Intelligence, Oracle Cloud Infrastructure Associate, Mikrotik Certified Network Associate, Cisco Certified Network Associate. I am looking forward to obtain a suitable role, in your esteemed organization, to utilize my experience in wide range of tasks: managing software projects, Databases, Operating Systems, Information System Security, Cloud Operations, Virtualization, Service Clustering, Infrastructure and Networks which ensures mutual growth and benefit.
